**Product Certification**  
**MasterSeal® 500 crystalline waterproofing**

To Whom It May Concern:

This is to certify that MasterSeal 500 crystalline waterproofing (formerly, Tegraproof), as supplied by Master Builders Solutions Construction Systems US, LLC ("Master Builders Solutions"), fully meets the performance requirements listed in our current Technical Data Guide, Master Builders Solutions Form Number 1018976.

Please note that as part of the Master Builders Solutions® brand launch, MasterSeal 500 became the new product name for what was formerly Tegraproof. The name change became effective in 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned Technical Data Guide.
