Islam Sharara

Project Profile; Astra Zeneca Pharmaceutical Company

The background

Cairo based multinational pharmaceutical giant Astra Zeneca are a regular customer of Master Builders Solutions Egypt. Faced with a 1,500m2 renovation project in their warehouse and production area Astra Zeneca approached Master Builders Solutions for a flooring solution

The challenge

Astra Zeneca needed a bright, durable coating system with good aesthetics and exceptional scratch resistance

The applicator had one week to complete the application

Astra Zeneca, Pharmaceutical Company

Master Builders Solutions solution

Master Builders Solutions Egypt proposed overcoating the existing epoxy coating system with MasterTop TC 941; an innovative, hard wearing topcoat with exceptional cleanability and scratch resistance

Customer satisfaction

Astra Zeneca were very happy with the finish of the Mastertop TC941 and the speed and quality of the application.

The Master Builders Solutions proposal gave them a high-performance floor finish applied to meet their tight time schedule

Mastertop TC941 advantages:

- Bright gloss finish
 - NMP, APEO, VOC, glycol and solvent-free
 - Very low emissions (according to AgBB)
 - Abrasion resistant
 - Exceptional cleanability allows easy and low-cost maintenance
 - High level scratch and wear resistance
-
- High hiding power even at low consumption rates
 - Durable aesthetics
