MasterTop 1200, MasterTop 1205, MasterTop 1240, MasterTop 1210, MasterTop SR MasterSeal TC 258

Carrefour, City Center Commercial Mall, Maadi, Cairo - Egypt

The background

Carrefour is one of the most commercial hyper market worldwide, Carrefour and city center are the market leader center shops and hyper markets in Egypt

The Customer is one of our regular customers, when they prepare their car parks they selected Master Builders Solutions Construction Chemicals to be their supplier

The project consists of two floors with total area 20,000 m2 to resist heavy trucks movement

The challenge

The applicator had to work over concrete floor with a lot of cracks, the concrete is repaired and the material is applied with the minimum down time.

The top floor is exposed to UV and applied by finish coat of polyurethane Master Seal TC 258

Project Profile: Commercial Mall, Maadi, Cairo - Egypt

Our solution

The car park is divided into drive ways, parking areas and ramps including top floor exposed to UV.

We applied our car park system with MasterTop 1210 covered with MasterTop 1205 in the bottom floor

Also we applied MasterSeal TC 258 for the top floor as final coat to resist UV radiation

Marking effect and lines are applied.

Customer satisfaction

The owner were so delighted with the performance & installation of the car park system advised and applied.

Master Builders Solutions is the main supplier for most of the owner's project

Advantages at a glance:

- Excellent wear and abrasion resistance
- Easily Applies
- Limited maintenance
- UV resistance
- Wide range of Colors
