Airport City Belgrade

Parking decks flooring systems

Our reference in Belgrade (Serbia): Airport City Belgrade
MasterSeal Traffic 2255

The background

Airport City Belgrade is one of the most modern and the most attractive business complex in Serbia.

The investor AFI Europe, had very high expectations in terms of aesthetics and functionality of the flooring system. Demands for flooring system were to be monolithic, easy to clean, durable, highly aesthetic.

MasterSeal Traffic 2255 was the right answer for customer's demands. Today, garage in Airport City business complex is one of the most exclusive in Belgrade.
