

# MasterTile<sup>®</sup> 530

Tile grout for ceramic tiles

## DESCRIPTION

**MasterTile 530** is a fine colored powder which, when mixed with water, gives a smooth, easily applied creamy paste for clean grouting of ceramic wall tiles. It sets to a decorative water resistant finish.

## ADVANTAGES

- Water-resistant (suitable for swimming pools).
- Self-colored.
- Resistant to cracking in joints up to 3mm wide.
- Ideal for internal and exterior applications.

## PACKAGING

**MasterTile 530** is available in 25kg sacks.

## COMPOSITION

**MasterTile 530** is a blend of hydrophobic cement, fillers and organic additives.

## STANDARDS

BS 5980 - Cementitious Adhesives and Grouts  
ANSI 118.6

## APPLICATION PROCEDURES

Allow at least 24 hours between fixing tiles and grouting. Mix grout powder with water to give a smooth, thick consistency.

Leave to stand for 15 minutes before using. Apply to tile joints with a squeegee, brush or sponge. Remove surplus grout with a damp sponge. When grouting is completed, polish tiles with a dry cloth.

## WATCHPOINTS

Certain types of tile may stain when in contact with colored cement grouts, it is therefore advisable to consult the tile manufacturer and carry out trials before use.

## COVERAGE

1 kg is sufficient for approximately 4 square metres using standard 150 x 150mm tiles.

## STORAGE

Store out of direct sunlight, clear of the ground on pallets protected from rainfall. Avoid excessive compaction. Shelf life up to 1 year if stored as above.

## SAFETY PRECAUTIONS

As with all chemical products, care should be taken during use and storage to avoid contact with eyes, mouth, skin and foodstuffs (which may also be tainted with vapor until product is fully cured). Treat splashes to eyes and skin immediately. If accidentally ingested, seek immediate medical attention. Reseal containers after use.

## NOTE

Field service, where provided, does not constitute supervisory responsibility. For additional information contact your local Master Builders Solutions representative.

Master Builders Solutions reserves the right to have the true cause of any difficulty determined by accepted test methods.

## QUALITY AND CARE

All Master Builders Solutions Products are manufactured under a management system independently certified to conform to the requirements of the quality, environmental and occupational health and safety standards of ISO 9001 and Master Builders Solutions ESHQ recommendations
