Product Certification
MasterBrace® UW 6000 underwater epoxy grout

To Whom It May Concern:

This is to certify that MasterBrace UW 6000 underwater epoxy grout (formerly, APE Grout), as supplied by Master Builders Solutions Construction Systems US, LLC ("Master Builders Solutions"), fully meets the performance requirements listed in our current Technical Data Guide, Master Builders Solutions Form Number 1031098.

Please note that as part of the Master Builders Solutions® brand launch, MasterBrace UW 6000 became the new product name for what was formerly APE Grout. The name change became effective in 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned Technical Data Guide.
