Product Certification
MasterFlow® 100 grout

To Whom It May Concern:

This is to certify that MasterFlow 100 grout (formerly, Construction Grout), as supplied by Master Builders Solutions Construction Systems US, LLC ("Master Builders Solutions"), fully meets the performance requirements listed in our current Technical Data Guide, Master Builders Solutions Form Number 1034562.

Please note that as part of the Master Builders Solutions® brand launch, MasterFlow 100 became the new product name for what was formerly Construction Grout. The name change became effective in 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned Technical Data Guide.
