Product Certification
MasterProtect® 100 CR epoxy coating

To Whom It May Concern:

This is to certify that MasterProtect 100 CR epoxy coating (formerly, Sewerguard HBS 100), as supplied by Master Builders Solutions Construction Systems US, LLC ("Master Builders Solutions"), fully meets the performance requirements listed in our current Technical Data Guide, Master Builders Solutions Form Number 1018971.

Please note that as part of the Master Builders Solutions® brand launch, MasterProtect 100 CR became the new product name for what was formerly Sewerguard HBS 100. The name change became effective in 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned Technical Data Guide.
