**Product Certification**  
**MasterProtect<sup>®</sup> HB 400 high-build acrylic wall coating**

To Whom It May Concern:

This is to certify that MasterProtect HB 400 high-build acrylic wall coating (formerly, Thorocoat), as supplied by Master Builders Solutions Construction Systems US, LLC ("Master Builders Solutions"), fully meets the performance requirements listed in our current Technical Data Guide, Master Builders Solutions Form Number 1019100.

Please note that as part of the Master Builders Solutions<sup>®</sup> brand launch, MasterProtect HB 400 became the new product name for what was formerly Thorocoat. The name change became effective in 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned Technical Data Guide.
