TECHNICAL INFORMATION

Consult the Master Builders Solutions Construction Systems Technical Services Department for specific recommendations concerning all other applications. Consult the website, www.master-builders-solutions.com/en-us, for additional information about products and systems and for updated literature.

DESCRIPTION

MasterSeal[®] AWB 975 FIB is a premanufactured corner reinforcement designed for use with MasterSeal[®] AWB fluid-applied air/water-resistive barrier products.

USES

MasterSeal[®] AWB 975 FIB can be used to reinforce the corners of rough openings as part of a flexible flashing system. Rough openings treated with MasterSeal[®] AWB 975 FIB and approved Master Builders Solutions Construction Systems products can be

integrated into a seamless air/water-resistive barrier and flexible flashing system.

If you have any questions regarding MasterSeal[®] AWB 975 FIB, please contact our Technical Services Department at 800-243-6739.
