Product Certification
MasterSeal® P 220 deck membrane primer

To Whom It May Concern:

This is to certify that MasterSeal P 220 deck membrane primer (formerly, Sonoguard Primer 770 VOC), as supplied by Master Builders Solutions Construction Systems US, LLC ("Master Builders Solutions"), fully meets the performance requirements listed in our current Technical Data Guide, Master Builders Solutions Form Number 1017893.

Please note that as part of the Master Builders Solutions® brand launch, MasterSeal P 220 became the new product name for what was formerly Sonoguard Primer 770 VOC. The name change became effective in 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned Technical Data Guide.
