

Master Builders Solutions España, S.L.U.

Ucrete[®] DP is a water based polyurethane floor topping, matt, low emission.

Master Builders Solutions certifies the following information for:

Ucrete[®] DP: Regional Materials

Ucrete[®] DP is manufactured in **Redditch, UK**. Raw material extraction and processing location is not available at this time.

Recycled Content

Ucrete[®] DP recycled material content is not available at this time and should be assumed **0%** for LEED purposes.

VOC Content

Ucrete[®] DP has a VOC (Volatile Organic Compound) content as follows:

- Ucrete BC4 < 5 g/l
- Ucrete TC < 8 g/l

Rapidly Renewable Content

Ucrete BC4 has a rapidly renewable material content of 7%.

Ucrete TC has a rapidly renewable material content of 14%

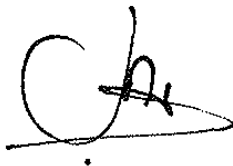

Based upon the above information, **Ucrete[®] DP** could contribute to the following LEED NC Credits:

EQ Credit 4.2: Low-Emitting Materials: Paints & Coatings

MR Credit 6: Materials and Resources: Rapidly Renewable Materials

MR Credit 1: Building Reuse: **Ucrete[®] DP** can be used to rehabilitate an existing building and lessen the need for new facilities.
